

Technical Specification

SILIDOR

Product description:

Silidor is a bleached non opaque, two side silicone treated natural greaseproof paper with excellent heat stability, manufactured from virgin fibre with high chemical purity.

Typical end-use:

An environmental friendly reusable baking paper. Also suitable for cooking and frying.

Approvals:

All raw materials and additives used in production comply with main food regulations.

All products from Nordic Paper are without any added fluorochemicals.

Nordic Paper is certified according to ISO 9001 and ISO 22000. All products are available as FSC Mix.

Property	Test method	Unit	Typical value			
Grammage Tolerance +/- 5%	ISO 536	g/m^2	39	40	41	44
Bulking thickness	ISO 534	μm	44	46	46	49
Brightness	ISO 2470	%	72	72	72	72
Tearing resistance						
<input type="checkbox"/> MD	ISO 1974	mN	200	200	200	220
<input type="checkbox"/> CD			220	220	220	240
Tearing resistance after heating (200°C/20 min)						
<input type="checkbox"/> MD	ISO 1974	mN	140	140	140	150
Water absorptiveness, Cobb₆₀						
<input type="checkbox"/> TS	ISO 535	g/m^2	11	11	11	11
